

Sir,

Please find forwarded the mail from the Organizers of the **World Mining Congress** to be held at **ASTANA, KAZAKHSTAN on 19-22 JUNE 2018.**

As you know, this is a global mining event, which is held every two-three years that brings together the mining community from different parts of the world to discuss/deliberate scientific aspects of mining and the emerging trends, with a view to share the knowledge and make mining safer, more efficient, cost-effective and environmental friendly.

You are invited to take part in this unique event and gain out of the deliberations during the congress. You are also requested to send as many delegates as possible to help expose them to the emerging trends in the world's mining scenario. India has always been participating by sending large number of delegates to the World Mining Congress in the past and let us make it this time too!

We also encourage your organization to present the reports on the topics mentioned in the announcement from the organizers of the Congress, being forwarded herewith.

Thanking you, with the hope to meet in the Congress at Astana, Kazakhstan!!

Yours sincerely,

(B. Akala)

Member, International Organizing Committee of the World Mining Congress
